

HSCC Race Suit

An exclusive offer saving members between £100 and £200 versus the catalogue price of other suppliers.

Advanced Wear and Safety Ltd continue to provide our top quality three-layer Nomex suit, complying with the latest FIA 8856:2000 standard, at an exclusive HSCC price of £340. (including VAT and delivery)

The suit comes with front and back panels in 'Ecru' (off white), embroidered front and back in black and dark green. Your name will be added, free of charge, also in dark green. The collar, cuffs, piping and box quilting are in Ecru. The epaulettes, arms and trousers are to your choice from the range below. The AWS logo on both shoulders will be in the same colour.

If you want an especially figure hugging suit then AWS will tailor you one to measure for an additional charge of £50. Ring 01233-638498 for details.

For the off-the-peg version fill in your details (NB print your name as you wish it to appear on the suit), take your measurements* and ring your size together with your colour choice and mail with your cheque to-
